

Are There Things in Queniborough you would like to Change or Conserve? Then now is your chance.

We are holding two drop-in sessions on **Monday 30th January and Wednesday 1st February between 7-9pm at the Parish Council Office on Rearsby Road**, to give you the opportunity to shape the future of our village.

During those sessions you can have your say as to how Queniborough should look in the future.

- Should we protect our green spaces from development?
- Do we need to improve the flow of traffic at the crossroads?
- Do we need more bungalows?
- Do we need more affordable homes?
- Should we extend our Conservation Area?
- Do you want to keep the separation area between Queniborough, East Goscote and Syston?
- Do we need to protect our wildlife better?
- Should we plan to protect the Ridgemere from future development?

If any of these issues are important to you we need to know. If you don't tell us what you think the village needs, we can't make it happen.

All your ideas will provide us with 'the roots' for the future shape of Queniborough, and will be embedded into our '**Village Plan**'.

Every issue raised and point made will be captured and used to form the basis of that '**Village Plan**'.

68 villages in Leicestershire are now actively working on plans for their village.

Let's not be left behind!!

This village plan will shape the future of Queniborough for generations to come, don't miss your chance to have your say.

I look forward to seeing you, Pam Jones on behalf of Queniborough Parish Council.
